PRIORITY ACCESS TO THE PALACE

Unlimited priority access is free for you and the person who accompanies you if your card is DUO.

The members benefit a reduced price for Audio guides (4€ instead of 5€), available in 11 languages.

If you come with additional non-members, you may purchase tickets for them on the Château’s website or, at the last minute, in locations close to the Château, including the Office of Tourism of Versailles and the Brasserie du Musée (for practical information and prices, see our FAQ “Good to know at the palace” on www.amisdeversailles.com).

Please note that up to two visitors with tickets accompanying the card holder can also benefit from priority access.

For children (up to 18 years old) : access to the Château is free, EXCEPT during the musical fountain shows (from April 1st to October 31st), where a reduced price ticket must be purchased for children above 6. Tickets can be purchased at the entrance to the gardens or in advance on-line.

Details of priority access : For priority access, walk up to the beginning of the line where the security guards stand next to the sign “**Entrée A**” in the courtyard of the château, and present your membership card. There is no priority access to get an audio guide or for the two Trianon palaces. **Warning :** *With the heightened anti-terrorism precautions at Versailles, all visitors must walk through the security checkpoint at the entrance to the palace courtyard. Please take into account this extra time, only after which will the membership card grant you priority access.*

To note : *In case of a big waiting line at Grille d’Honneur (main entrance), think about using Grille de la Chapelle, a few meters away.*
